## To Better Passenger Service.

The Commercial Club of Garland is doing all in its power to secure for this city better passenger train service and we appreciate its efforts in this line. The following letter to D. E. Burley will convince all interested that the club means business:

March 16, 1906

Mr D. E. Burley,  
Gen'l Passenger & Ticket Agent O. S. L. Ry. Co., Salt Lake City, Utah.

Dear Sir:—

At a meeting of the Garland Commercial Club, held in its rooms at Garland, Utah, on March 12th., the undersigned were instructed to communicate with you to ascertain whether or not we could expect a little better passenger service in the near future. It has been currently reported that your company expected to put on a motor car between Malad City and Brigham City, said car to leave Malad in the morning in time to connect with your Cache Valley train No. 12, which reaches Salt Lake about noon. The motor car also to connect with your Cache Valley train No. 11 at Brigham City in the evening which leaves Salt Lake City at 4:05. A service of this character would be very satisfactory to the people here as it would give us an opportunity to make a round trip from here to Salt Lake in one day, and give us something like four hours in Salt Lake in which to transact business.

We were also requested to ask if you could not arrange to sell through tickets from Salt Lake to points on the Malad Valley Railroad via Ogden and Corinne. At present coming via this route passengers are obliged to buy a ticket from Salt Lake to Ogden over the O. S. L. and one from Ogden to Corinne and still another from Corinne to points on the Malad Valley Railroad which is, to say the least, very inconvenient.

Kindly take this matter under consideration and do what you can for us. Very respectfully,  
Mosiah Evans,  
Pres.

R. L. Bush,  
Asst. Secy.

### How Editors Get Rich.

After a good deal of hard study and work we have at last figured out why so many editors get rich. Here is the secret of success:

A child is born in the neighborhood, the attending physician gets \$10; the editor gives the foundling youngster and the "happy parents" a semi-off and gets \$0. When it is christened the minister gets \$10. And the editor gets \$00. It grows up and marries. The editor publishes another long-winded, flowery article, and tells a dozen lies about the "beautiful and accomplished bride;" the minister gets \$10 and a piece of cake and the editor gets \$000. In the course of time it dies and the doctor gets from \$25 to \$100; the minister gets, perhaps another \$15. The undertaker gets from \$30 to \$100; the editor publishes a notice of the death and an obituary two columns long, lodge and society resolutions, a lot of poetry, and a free card of thanks, and gets \$0000. No wonder so many editors get rich. Ex.

### Beet Contracting.

Current rumor has it that The Utah Sugar Company has secured all the contracts for beets that the Company requires for the present season. An interview with Resident Manager Evans and Agr'l Sup't. Lewis discloses the fact that, while contracting has gone on at a rapid rate and more acreage has been secured than was anticipated, yet the Company is willing to hold its contracts open for two or three weeks longer in order that all may have a chance.

### Base Ball Assn.

At a meeting of the Ball Park Assn., held in the Commercial Club Rooms Wednesday night, a board of directors was elected as follows:

Mosiah Evans, pres., W. R. Vanfleet, W. D. Lewis, John Laut, C. J. Campbell, members of board, C. J. Campbell was also chosen secretary and treasurer. Some matters pertaining to the base ball situation were discussed.

We have the largest stock of shoes in Box Elder County. Boothe M & P Co. 1  
Leon Morgan was visiting friends in Garland Wednesday.

Miss Tillie Sorensen, waitress at Clayton House, is visiting friends at Brigham.

Al Grover and Jos. Burns, arrested for leaving their horses unhitched, had a hearing before Judge Vanaunderlin Friday last and were fined \$1 each and costs. However, the fines imposed were returned as it was their first offense and they were instructed to comply with the ordinances hereafter.

## Exchange of Courtesies.

The following letter has been sent to each of the Commercial Clubs at Lehi, Brigham City, Kayeville, Logan and American Fork in hopes of establishing an exchange of courtesies:

March 16, 1906.

Gentlemen:—

At a meeting of the Garland Commercial Club, held in our Club Rooms on March 12th., 1906, the undersigned were instructed to communicate with the various country commercial clubs with a view of establishing an exchange of courtesies between the various clubs concerned, and we desire to say that we believe it would be a good idea for all of the clubs aforesaid to enter into relations whereby the members of one club might be permitted to partake of the hospitality of all of the other country clubs in the state. For instance, if one of your members was visiting Garland he would be permitted all the privileges of the club members, while in our town, upon presentation of his card showing that he was a member of your club. The same would apply to any member of our club visiting in your city, and it strikes us that this would be very advantageous to all concerned. Of course each visiting member would be expected to pay for anything that he might procure at the Buffet or Cafe at the time that anything in that line was obtained, no credit being granted to visiting members. Our idea is to give to visiting members the privileges of the club, so that they may have some place to while away a few idle hours while in each others locality and get better acquainted.

Kindly let us hear from you as to whether or not this proposition meets with your approval and very much oblige.

Yours very respectfully,  
Mosiah Evans,  
President.

R. L. Bush,  
Asst. Secretary.

Always Keeps Chamberlain's Cough Remedy in His House.

"We would not be without Chamberlain's Cough Remedy. It is kept on hand continually in our home," says W. W. Kearny, editor of the Independent, Lowry city, Mo. That is just what every family should do. When kept at hand ready for instant use, a cold may be checked at the outset and cured in much less time than after it has become settled in the system. This remedy is also without a peer for croup in children, and will prevent the attack when given as soon as the child becomes hoarse, or even after the croupy cough appears, which can only be done when the remedy is kept at hand. ## My Partner's Wife.

The people of Garland and vicinity are promised a rare treat at the Amus. hall in the near future in the shape of a genuine theatrical performance by the home troupe. The Garland Home Dramatic Co., consisting of some of our most popular and talented young people, are working hard night and day to learn their parts and be in shape to make this performance second to none that has ever been presented here. T. H. Edwards and others have also diligently worked on the scenery for the occasion. The scenes consist of 13 double panels and are the latest in stage settings. Much delay between acts will be thus averted by the use of the new scenery. The date of the performance has not been fully decided upon by the members. "My Partner's Wife" is the piece selected for the first appearance by the home company.

The following prominent ladies and gentlemen form the cast:—  
T. H. Edwards, Ben Clayton, A. H. Gleason, Chas. Edwards, Geo. Rogers, M. D. Evans, J. T. Roberts, J. H. Wallis, Howard Evans, Mrs. J. T. Roberts, Miss Vilate Carter and Miss Ruth Clayton.

A matinee will be given at the hall in the afternoon commencing at 2 o'clock.

## 64th Anniversary.

The Garland Relief Society celebrated the 64th anniversary of the first organization in fitting style at the Amusement Hall Saturday evening, March 17. About 250 persons participated in the social which was a thorough success from all points of view. The affair was under the auspices of a committee consisting of Mr. and Mrs. Mosiah Evans, Mr. and Mrs. D. W. Lewis and Mr. and Mrs. Brigham Marriott assisted by quite a few others all of whom deserve praise for their efforts in making the affair so successful.

The evening's entertainment began with a program and the following selections were rendered:—

Singing—Our God We Praise to Thee.

Prayer—Joseph Jensen.

Singing—We Thank Thee O, God for a Prophet.

Address of welcome—Bp. W. L. Grover.

Song—Miss Essie Evans.

History of the Relief Society—Secy. Eva C. Wilcox.

Instrumental selection—J. H. and Estella Kirkham.

Address—Object of Organization and Duties of Members—Pres. Julia Bligham.

Following the program came a feast of good things and if any one went away hungry it was no fault of the Relief Society or those who so ably and willingly assisted them.

Then the older people had the privilege of enjoying themselves in some old fashioned square dances and were quite disappointed when the Master of Ceremonies, Mosiah Evans, announced that it was near Sunday morning that the good time of the evening must be concluded in our dreams.

A vote of thanks was tendered the Relief Society Sisters also the committee for their assistance in making the affair a success.

The case of Ben Waldron plaintiff vs. T. E. Sechrist, defendant, which was continued from Mch. 10, was called for trial before a jury in Justice Vanaunderlin's court on the 22. Inst. Messrs. Davis & Devine, Attys. of Ogden, appearing for the plaintiff and V. Rapp Attys. representing the defendant.

A number of witnesses were examined on the part of plaintiff and cross examined by the Atty. for the defense; but no testimony was offered by defendant, the prosecutors being too weak to require it. The case was submitted to the Jury upon the plaintiff's evidence above, and that body soon returned a verdict of no cause of action.

### Self Culture Club.

The Ladies' Self Cultural Club was royally entertained Thursday afternoon at the residence of Mrs. W. D. Lewis the attendance being larger than usual. The question of parliamentary rules for the organization was discussed and found much opposition and was finally dropped. The club will be conducted in the usual social manner. Two new members were admitted Mrs. Sellers and Mrs. Campbell.

Mallie Child, a story from Collier's Weekly was read by the members. Mrs. M. A. Boothe was voted in as club correspondent.

An elaborate lunch was served and those present report having had an excellent time. The meeting adjourned for April 5th to meet at Mrs. T. H. Edwards.

### Afflicted With Rheumatism

It is the best of liniments." If troubled with rheumatism give Pain Balm a trial and you will be more than pleased with the prompt relief which it affords. One application relieves the pain.
